Click on "Submit "(You will not be able to submit if any mandatory questions are not answered)

You will then receive an email version of your same QR code that you got for the Show

You will **not** receive it again by whatsapp, you can use the previous (Show) code that you originally received by whatsapp for that show, but this will only be valid if you have registered / validated your data and questions for the Practice Jumping.

In a nutshell, you receive 1 and only 1 QR code that is yours forever for **all** PERC shows, but you must still register / validate your answers for each show to update your health questions and other data for each show. Your code will stay the same, but the data / answers behind it will be updated for each new show.

### General:

Your code will be scanned from your cell phone or paper copy at entry to the venue and temperatures recorded. You will also be scanned on exit from the venue.

**If you have access to a printer, then PLEASE print and take the QR code to avoid scanning delays due to reflection of the sun on a cell phone screen – this will speed up your entry.**

A rider may register their groom for the sake of convenience but please enter the groom's personal details and cell number / email. If they don't have a cell phone / email then the rider can enter their own cell / email and **you** will then also receive your groom's QR code. **But please remember which code belongs to who when your codes are scanned at the gate on entry and exit!** This caused some delays at the previous show.

All officials, staff, medics, volunteers, judges etc must also pre-register, please just tick the appropriate box on the online registration form.

**Opening date for ShowWave registrations 08h00 Mon 1 Nov 2021**
